

The official Emergency Preparedness application provided by the The Connecticut Department of

Emergency Services and Public Protection (DESPP), allows Connecticut residents to access emergency information and alerts on the go in the event of an emergency.

Connecticut's citizens can create interactive emergency kits, create customized family communications plans and can view preparation guides so they are more informed on what to do in an emergency.

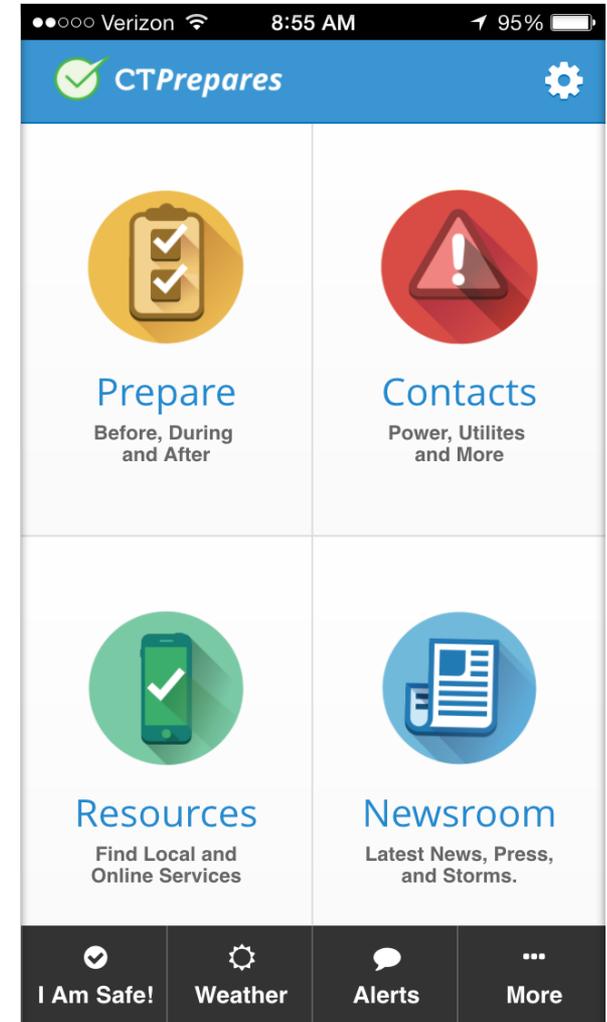

Emergency Preparedness Application “Home Screen”

The Home Screen is the entry point for the user to navigate within the application.

Features Include:

- Prepare
- Contacts
- Resources
- Newsroom
- I Am Safe!
- Weather
- Contacts
- More...

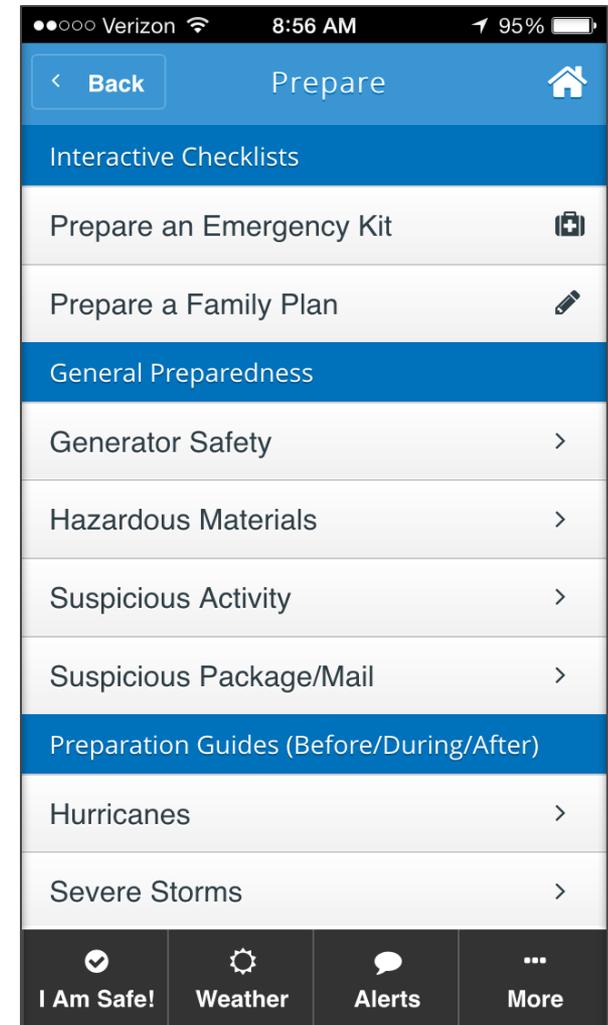

Emergency Preparedness Application “Prepare Screen”

The Prepare Screen allows for the user to be prepared in the event of an emergency situation.

Features Include:

- Preparing an Emergency Kit
- Preparing a Family Plan
- General Preparedness Section
- Preparation Guides (Before/During/After)

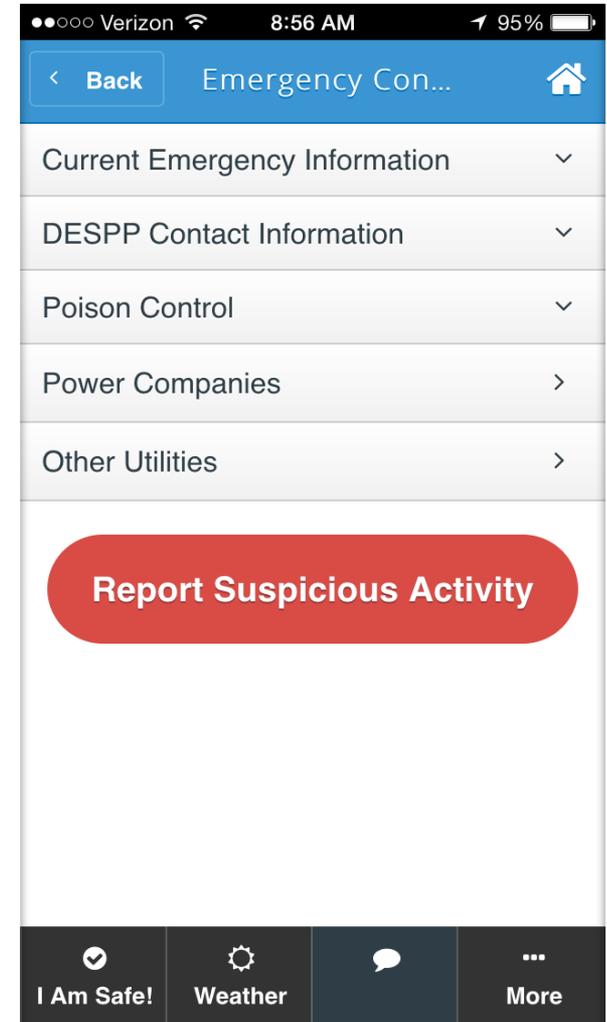

Emergency Preparedness Application “Contacts Screen”

The Contacts Screen allows for the user to select from various state contacts and view emergency information.

Features Include:

- 2-1-1
- DESPP Contact Information
- Poison Control
- Power Companies
- Other Utilities
- Reporting Suspicious Activity

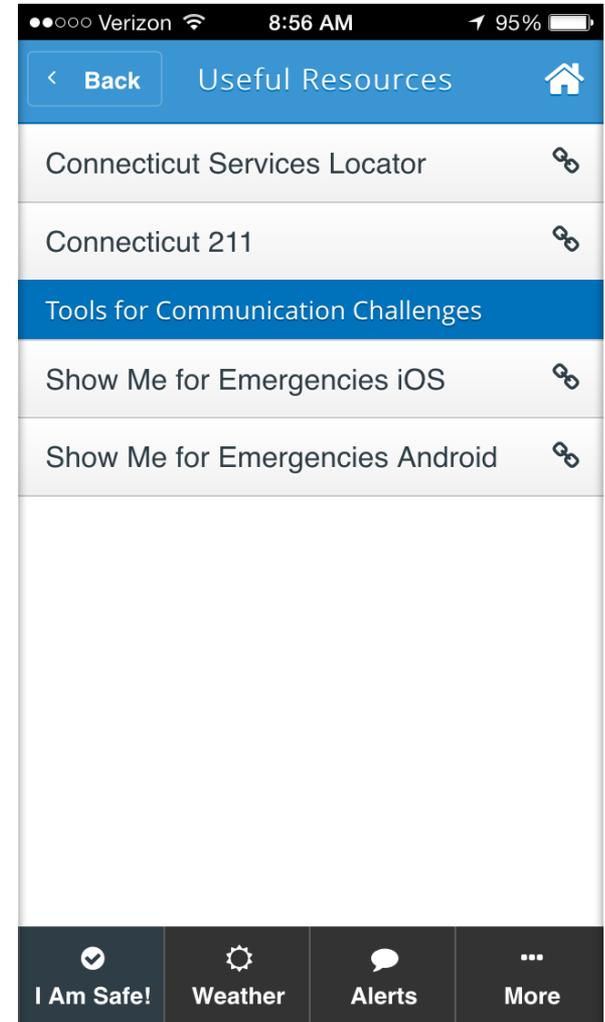

Emergency Preparedness Application “Resources Screen”

The Resources Screen allows for the user to view various helpful resources.

Features Include:

- **Services Locator** (locate the closest pharmacy, gas station and other types of services based on your location)
- **Connecticut 211** (locate additional resources such as food pantries, and shelters)
- **Show Me Apps** (assist with communication)

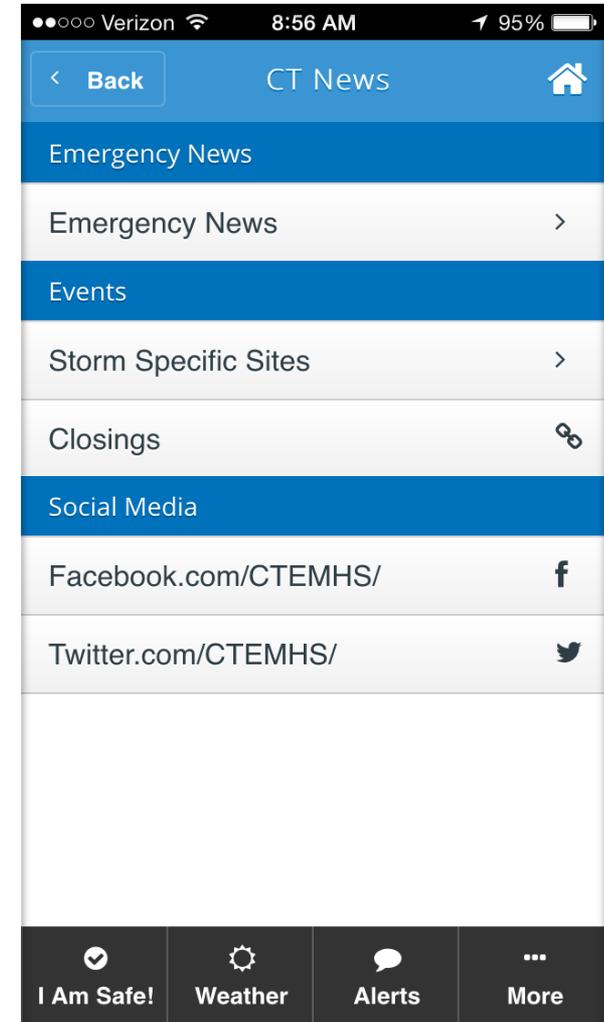

Emergency Preparedness Application “Newsroom Screen”

The Newsroom Screen allows the user to view state emergency news, news on storms, and news on state closings.

Features Include:

- Emergency News
- Storm Specific Sites
- Closings
- Facebook
- Twitter

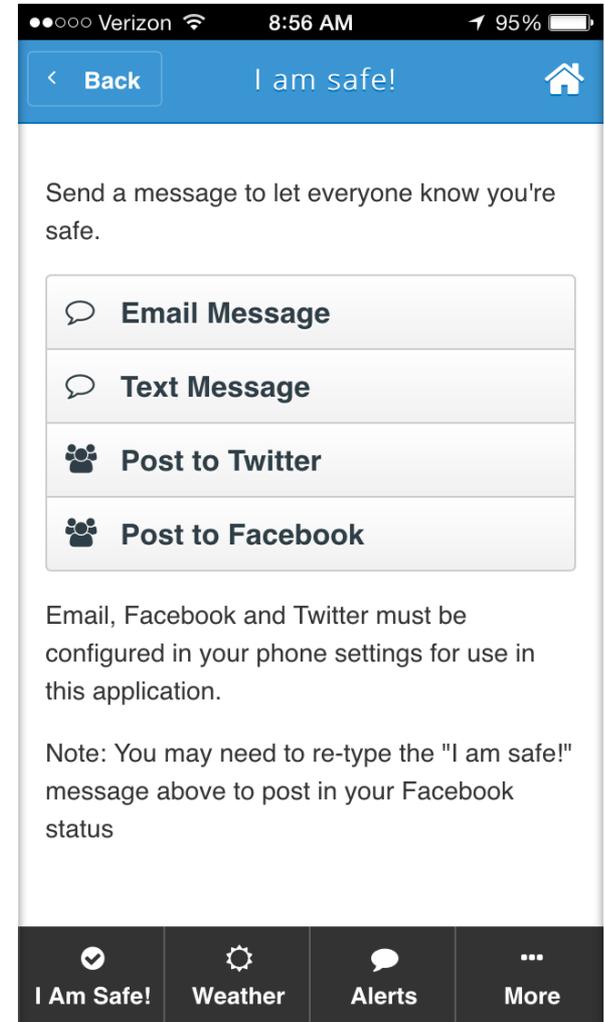

Emergency Preparedness Application “I Am Safe Screen”

The I Am Safe Screen allows for the user to let friends and family know that you are safe.

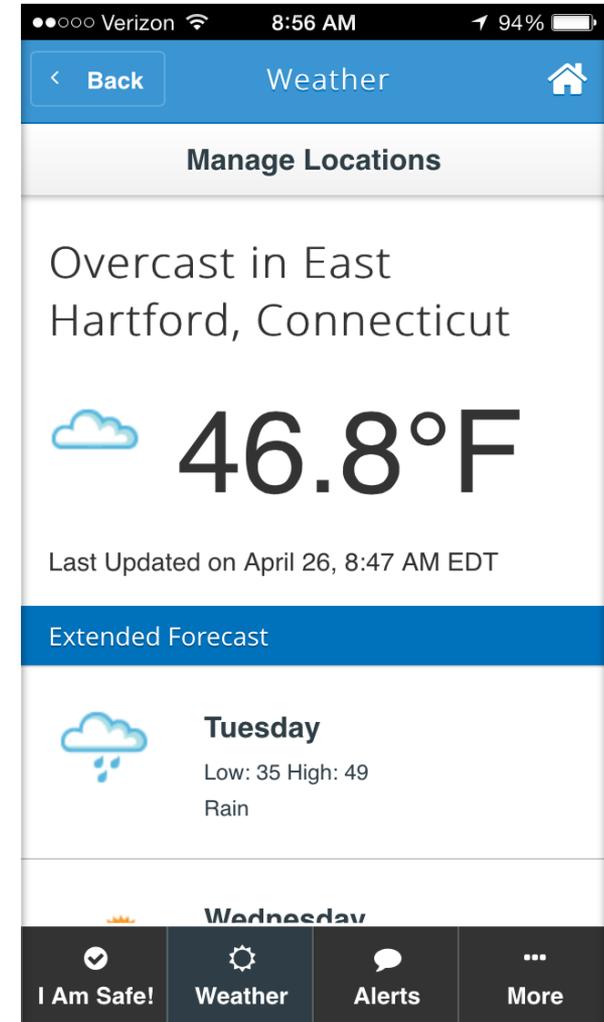

Features Include:

- Sending a message via the below methods to let everyone know you're safe
 - Email
 - Text
 - Twitter
 - Facebook

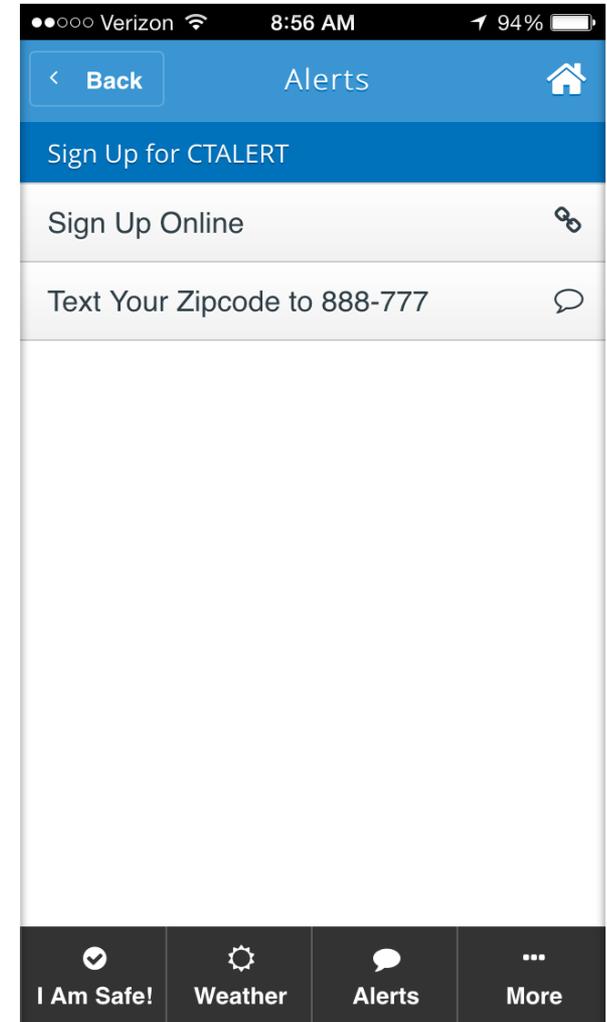

Emergency Preparedness Application “Weather Screen”

The Weather Screen provides the weather information for your location. In addition, special weather statements for your area would be displayed.

Emergency Preparedness Application “Alerts Screen”

The Alerts Screen allows for the user to sign-up online for public safety email and text alerts based on your zipcode.

Emergency Preparedness Application “More Screen”

The More Screen allows for the user to access general features of the application.

Features Include:

- About This App
- Terms of Use
- Privacy Statement
- CT.gov General Customer Service
- App Settings
